

E-Brochure

E-brochure is an online placement brochure of your Institute having complete information of students along with their Qualification & Contact details. It basically contains a mini resume of the students along with their profile picture and designed to give an impressive overview to the employer about present & previous batch (course-wise).

Unique features of E- Brochure

- a. **Customized format:** It facilities to change the design & visibility of brochure as per your creativity .At any point of time the outlook & Content of your e- brochure could be changed by:
 - Theme (sky blue, pink, green, grey)
 - Layout (Detailed or Tabbed)
 - Year (year of passing)
 - Details of students(email, certification ,experience, marks etc)
 - Course & Specialization

- b. **Reach Employers – a click away** – This attribute facilitates you to use the e-brochure for sending the information to employers in few seconds. As you click the send to employer button, e-brochure will be attached in PDF format along with its link to view at rangrut.com

- c. **Download E- brochure** – Brochure can be downloaded (PDF format) & saved for future & offline requirement.

- d. **Announce & Familiarize**– Mini introduction about the institute & contact details like website, contact no. of the institute & placement cell, address, & name of the placement cell officer, mobile no & email id. The institute can upload their logo also to make their prologue more attractive.

- e. **Placement Calendar** – Complete inside about the placement calendar containing details about summer & final placement schedule i.e. timing of initiation of pre placement talks, companies visiting & etc.

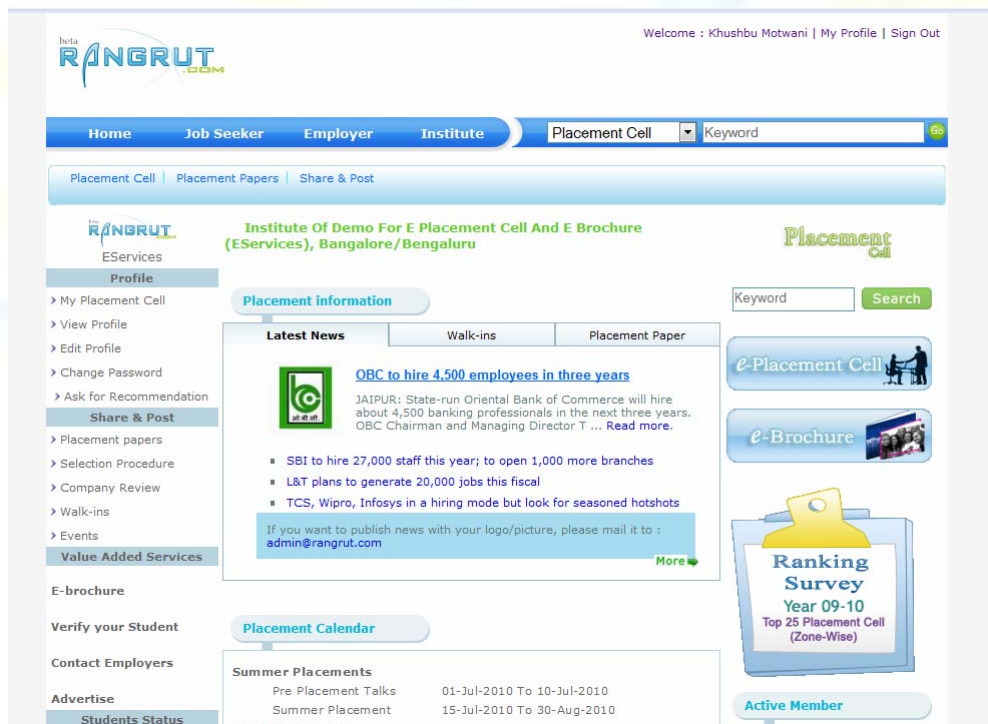

- f. **Previous Employers** – Maintain relations with existing employers. Keep information about previous year recruiters like company name, website of the companies, no of students selected, month & year of selection.

Benefits of an e-brochure:

- **Saves time** because you can send your e-brochure to employers anywhere in the country in just a few seconds.
- **Information is always up-to-date** because making changes in e-brochure is much **cheaper and quicker** in comparison to printed publication (**no need to re-print**).
- E-brochure can be **tailor-made** for every specific requirement. for ex. if needed only a specific branch's student detail will be displayed in your brochure.
- **Off-line viewing** - e-brochure can be stored, viewed with its content off-line (no need to be on internet) & if needed print out can also be taken out later.
- **Saves a lot of money** since there are **no printing and delivery costs**.
